**ELECTION
ONE-MONTH EXTENSION OF TIME**

Dear Sir:

In response to the office action of March 20, 2006, applicant confirms the original election of Invention II, Claims 17-32. In addition, and in response to the election of species requirement, applicant elects Group IIb, Claims 25-32. It is submitted that Claims 17-24 should be examined with Claims 25-32, in particular given the dependent claims in the elected group. Thus, applicant would ask for reconsideration. However, applicant does elect Claims 25-32. Examination on the merits is now requested.

Fees in the amount of \$120.00 for a one-month extension of time may be charged to Deposit Account No. 50-1482 in the name of Carlson, Gaskey & Olds. Applicant believes that no additional fees are necessary, however, the Commissioner is authorized to charge Deposit Account No. 50-1482 in the name of Carlson, Gaskey & Olds for any additional fees or credit the account for any overpayment.

Respectfully submitted,
